San Juan County Hosts Fall Household Hazardous Waste Collection Day

AZTEC, NM—Saturday, October 10, 2020 is Fall Household Hazardous Waste Collection Day so residents can get rid of household hazardous waste for free!

From 9:00 am to 1:00 pm, the San Juan County Office of Emergency Management in conjunction with the Local Emergency Planning Committee (LEPC) will host collection of household hazardous waste at the San Juan County Administration building in Aztec.

This is a good way for residents to dispose of waste that shouldn't be thrown in the trash. Things like used batteries, light bulbs, auto fluids, household cleaners, gardening chemicals, and aerosols.

There are limits to the items accepted, including business or industrial waste and 55-gallon drums, tires, appliances, or e-waste.

The collection will be limited to residents of Bloomfield, Kirtland, and the unincorporated part of San Juan County. Proof of residency is required. Residents from Aztec and Farmington will not be allowed to drop off waste and can instead take advantage of curbside household hazardous waste collection, as a part of their sanitation services.

Find a full list of accepted items at SJCounty.net/HHW
