

Federal Emergency Management Agency

Washington, D.C. 20472

July 19, 2010

The Honorable Sally Burbridge
Mayor, City of Aztec
201 West Chaco
Aztec, New Mexico 87410

Case No: 07-06-1337V
Community: City of Aztec, New Mexico
Community No: 350065
Effective Date: August 06, 2010
LOMC-VALID

Dear Mayor Burbridge:

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated August 05, 2010 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our Map Assistance Center, toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Sincerely,

Kevin C. Long, Acting Chief
Engineering Management Branch
Mitigation Directorate
